General Session: “Faith Formation for the Sacraments of Initiation from the Perspective of the Four Pillars”

Father Jim Bessert will offer this keynote at the Faith Formation/ Youth Ministry Round Table Day. Father Jim will share his insights on topics such as determining readiness of children, connecting children in sacramental formation with the Sunday liturgy, and how service, worship, community and message (the Four Pillars) provide the back-bone of preparation for the Sacraments of Initiation. Time to respond to questions from participants will be included.

Café-style Conversation

After the talk and into the afternoon, participants will have the opportunity to unpack the topic further and share their insights at facilitated table discussions with other formation and youth ministry leaders.
