**2500 N. West River Rd.  
Sanford, Mi 48657**

The loss of a loved one through death creates an empty space in our lives that can never be filled. The resulting strong feelings of pain and emptiness can stay with us for a long time. Grief is a very real wound or pain. Recovery takes time, patience and work. We call it Grief Work.

*Let the family of faith enfold you with care and support.*

Our prayer is that this opportunity will offer you hope and peace during your recovery. Topics to be discussed include;

What is Grief?  
Grief Lessons from Society and Scripture  
Coping and Self Care Skills  
Catholic Grief Recovery Series

To register or for more information, contact Laura Scheibert at 989-687-5657 ext. #2. There is no cost to attend this event.

*Sponsored by Our Lady of Grace Parish in cooperation with the  
Office of Christian Service, Catholic Diocese of Saginaw.
