

Catholic Diocese of Saginaw

A prayer for:

Our Catholic Schools: Centered in Christ, Committed to Excellence

Dear Jesus, Lord and Savior,
our rabbi and greatest teacher.
We ask you to help to accompany us on our journey
in Catholic education.
Breathe the Spirit into your plan,
give us courage to be steadfast,
be the source of wisdom in our actions and decisions,
provide the necessary resources for our schools to be
successful in spreading your message of eternal life,
Be with all of our students and families who sacrifice
to provide a Catholic education,
Be with our staff and faculty,
bless them for their dedication and commitment
to this essential ministry.
Remind us at all times that education in the
faith is essential to forming disciples
who can transform our society and evangelize
throughout our Diocese and beyond.
We ask this all through Christ our Lord.

Amen.
